

## The Future School

# Getting started with mySecondTeacher Nepal

A quick guide to get you started!

भविष्य, नेपालको

Welcome to your school's academic delivery and learning management system. As a student on this platform, you can watch interactive, fun, and easy-to-understand video lessons that are mapped with your syllabus, receive and submit assignments, get access to teacher's resources, view schedules for classes, etc. You can even chat with your teacher and socialise with your friends online.

There are many features that you will love and enjoy on this platform. This guide will help you get started.

Happy Learning!

#### OUR AWARDS

# About our platform

Designed by Cambridge educators, adopted by over 9000 global schools in 50 countries all over the world, and made in Nepal, mySecondTeacher is an award-winning online academic delivery and learning management system that provides you with learning resources and intuitive features that you will need in your school.

Our platform features:

#### Interactive Videos

Fun and interactive student-teacher dialogue-based videos featuring captivating images and animations, enabling you to learn at your own pace.

#### Testpapers

Generate question papers to practice at your own pace or for revision in your own time.

#### Learning Resources

Get access to the resources uploaded by your teachers.

#### Classroom

View class schedules and/or attend online classes when needed.

#### Assignments

Submit assignments given to you by your teachers and get graded easily!

#### Notices and Announcements

Receive notices and eConsent forms from your teachers or school, and also get an overview of your activities.

#### Chat Rooms

Connect with teachers and friends in separate Group Chats and even create individual project groups within those groups.

#### Expert Tip :

Do not share your account details such as login ID and password to anyone else. If you think your account has been used by someone else, please notify your parents or teacher.

# Our Learning Resources

## Our available resources

The following resources are available for Grade XI and Grade XII curriculum

## Interactive Video Lessons

### Grade XI Science:

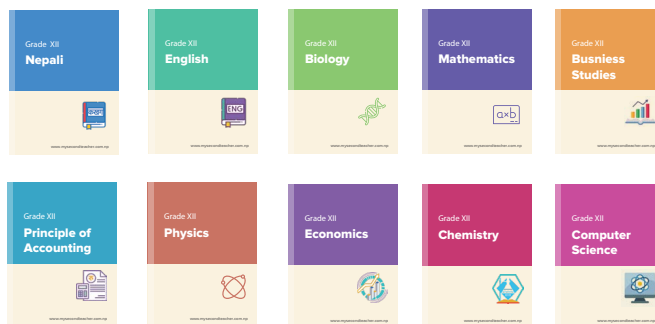

Science Subjects  
Nepali, English,  
Social Studies, Mathematics,  
Physics, Chemistry,  
Biology, Computer Science

### Grade XI Non-science

Non-Science Subjects:  
Nepali, English, Social Studies,  
Mathematics, Accounts,  
Economics, Business Studies,  
Computer Science, Hotel Management

## Subjects Available

# Opening the Doors of Knowledge

We open the doors of knowledge and possibilities to you with **mySecondTeacher**. Simply login with the email address and password that has been provided to you by your school and get ready to explore!

## How to use **mySecondTeacher**?

1. On your computer, open your internet browser such as Google Chrome, Mozilla Firefox, or any other browser. 

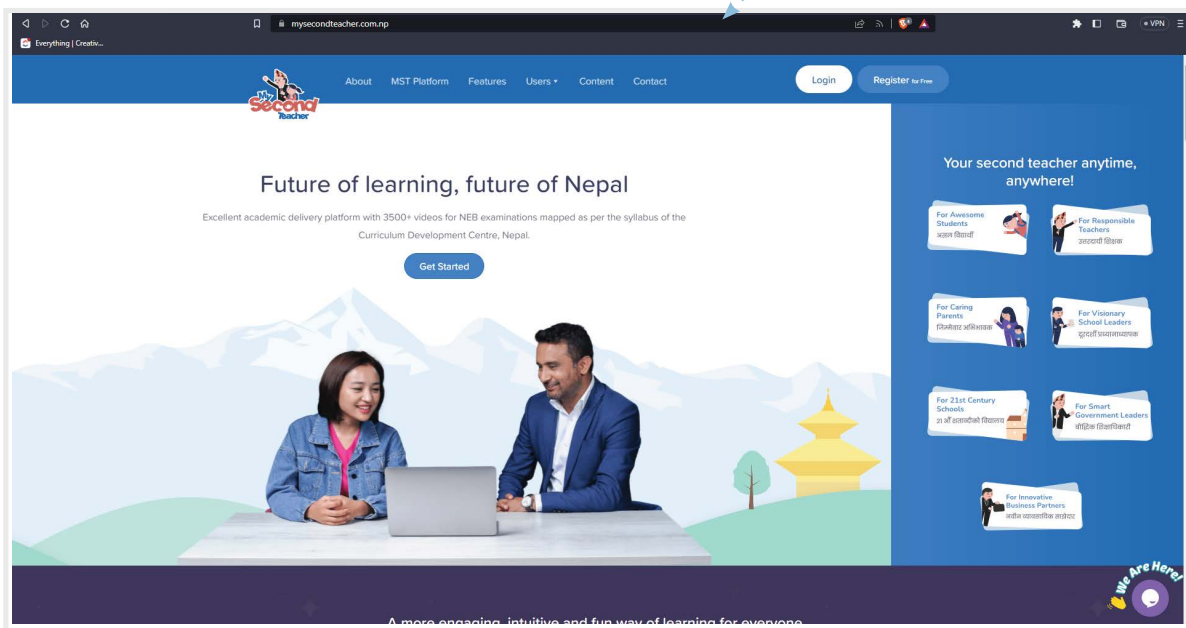

We recommend that you use Chrome as it will give you the best performance on our platform.

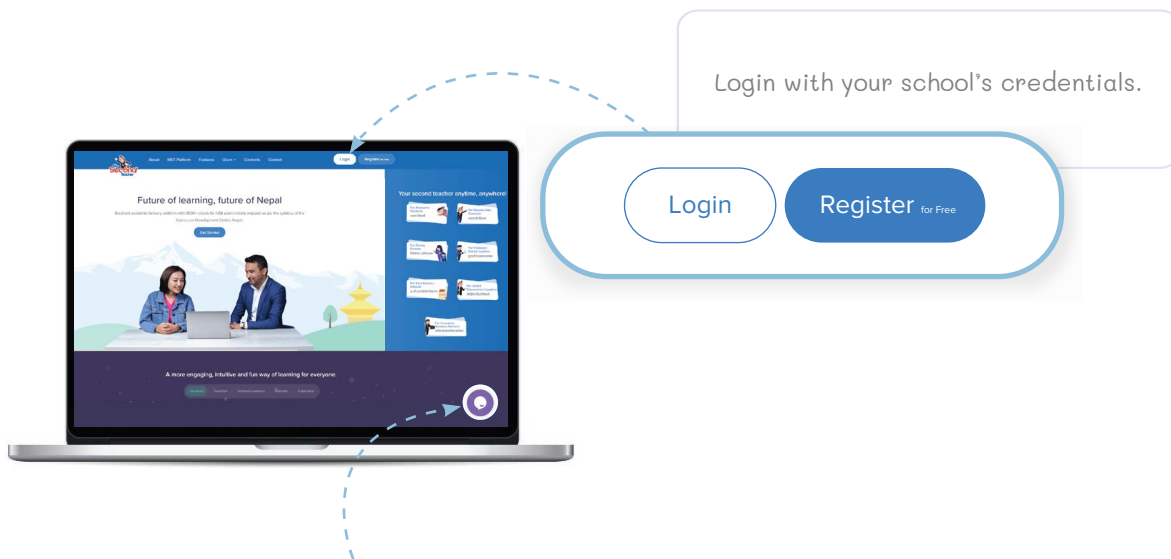

2. Please type **www.mysecondteacher.com.np** in the address bar of your browser

**www.mysecondteacher.com.np**

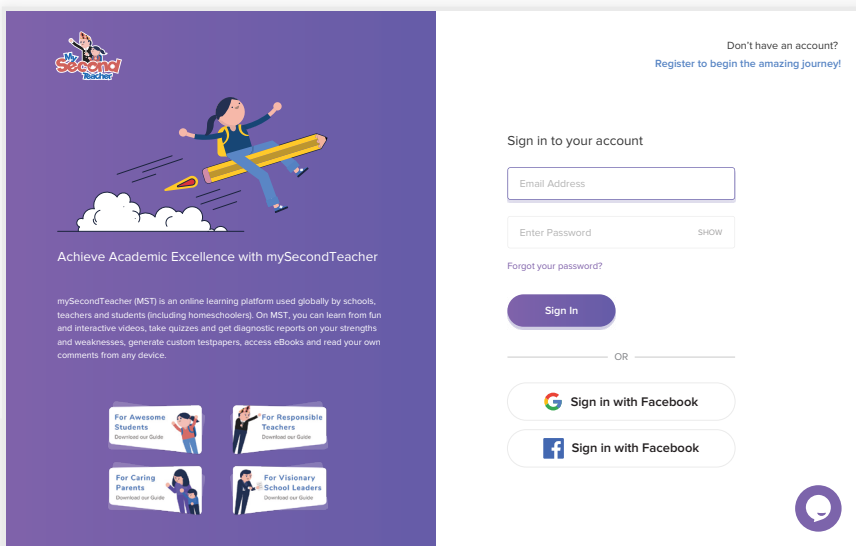

Now you are on our website!

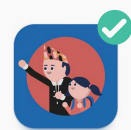

If you have any queries or problems, please click here to contact our **User Care Team**. We are available from **6 am to 10 pm** everyday!

Alternatively, go to your App Store (iOS) or Play Store (Android) and search for mySecondTeacher Nepal. Check that you've downloaded the Nepal app and not the global one!

Once the app is downloaded, go through the same process mentioned above.

# Your Dashboard

Our Student's Dashboard will help you manage your overall learning experience. Depending on whether you launch our app using a web-browser or via our Android or iOS App, the dashboard might look a little different. However, it's all really intuitive so, just click on and explore!

## Here is your Dashboard

The dashboard interface includes a navigation bar with 'Home', 'Classrooms', 'Subjects', 'Testpapers', 'Chat Rooms', and 'Help'. The main content area is titled 'Welcome Nisha Chhetri, what would you like to do today?' and contains four primary action cards: 'Learn/Revise', 'Socialise', 'Assignments and Contents', and 'Test yourself'. Below these is a 'Notice Board' section with tabs for 'Today's Task' and 'Upcoming Tasks'. A callout box provides a detailed view of a notice from Rajesh Shrestha regarding a group chat session on May 12, 2023.

**Click Here**  
To return to the Dashboard

**Click Here**  
To view notifications

**Click Here**  
To change your profile picture, email address, password etc.

**Learn/Revise**  
Click here if you want to learn something new, or revise something that you've already learned

**Socialise**  
Click here to socialise with members of your community, including entering live video and text-chat sessions

**Assignments and Contents**  
Click here to get, submit, and/or review assignments or other contents that your teacher may have assigned to you

**Test yourself**  
Click here to assess how good you are, and identify areas of weakness so that you can directly work on those areas

**Notice Board** Today's Task Upcoming Tasks

"Hello. Students, Please join group chat session on May 12, 2023 on 11:00 AM."  
- Rajesh Shrestha May 7, 2023 - May 11, 2023

**Notice Board** Today's Task Upcoming Tasks

"Hello. Students, Please join group chat session on May 12, 2023 on 11:00 AM."  
- Rajesh Shrestha May 7, 2023 - May 11, 2023

You can receive Notices, Announcements and eConsent forms or get an overview of your activities - **Scheduled Classes** and **Assignments** for the current day and the Upcoming tasks

Remarks Hello Ma'am, I have submitted my assignment. It was quite challenging but I learned a lot.

Teacher's Remark

Grade 88 / 100

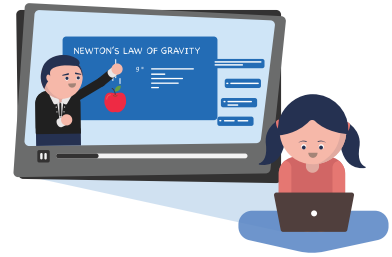

Remarks Keep it Up! You did a great work. These are the areas whereby you can improve: You need to revise more on the topic "depreciation". Most of the mistakes are from this topic. Overall, Keep up the good work. +1

The screenshot shows the 'The Future School' interface. At the top, there is a navigation bar with 'Home', 'Classrooms', 'Teaching Resources', 'TestPapers', 'Chat Rooms', 'Announcements', and 'Help'. The 'Chat Rooms' tab is highlighted with a blue circle and a dashed arrow pointing to a callout box labeled 'Chat Rooms Tab'. Below the navigation bar, the 'My Chat Room' section is visible. It includes a search bar for channels, a list of channel names (e.g., 'The\_Future\_School', 'The\_Future\_School\_Accounting', 'The\_Future\_School\_English', 'The\_Future\_School\_Nepali', 'The\_Future\_School\_Chemistry'), and a 'Direct Messages' section with 'Rajesh Shrestha'. A callout box with a plus sign icon and the text 'Click Here to Add channel' points to the plus sign icon in the channel list. At the bottom, there is a message input field with the placeholder text 'Send a message...' and a send button.

# Test Yourself

Students who ace their exams do so because they work hard, practice, and learn from their mistakes. On our platform, we provide you with the tools to do just that! You can test yourself through a “Mastery Assessment” or mock test papers.

- 4 Accounting Equation
- 5 Journal Entry
- 6 Ledger (16)
- 7 Subsidiary Books (13)
- 8 Cash Book (11)
- 9 Trial Balance (10)
- 10 Modern Banking System (28)

**Test**

Note: You can replace or add questions in this section & notes.

**Section 1 (Open-Ended - 5)**

Q1. The functions  $f$  and  $g$  are defined for real values of  $x$  by  $f(x) = \sqrt{4x-3}$  for  $x > 1$ ,  $g(x) = \frac{x-1}{2x}$  for  $x > 2$ .

Q2. Sketch the graph of  $y = |2x - 3|$  on the axes below, showing the coordinates of the points where the graph meets the axes.

Q3. Solve the equation  $|2x - 3| = x$ .

**Question Paper** | Marking Scheme

This is the scheme to copy/print if you want to add it manually.

**Section 1 (Open-Ended)**

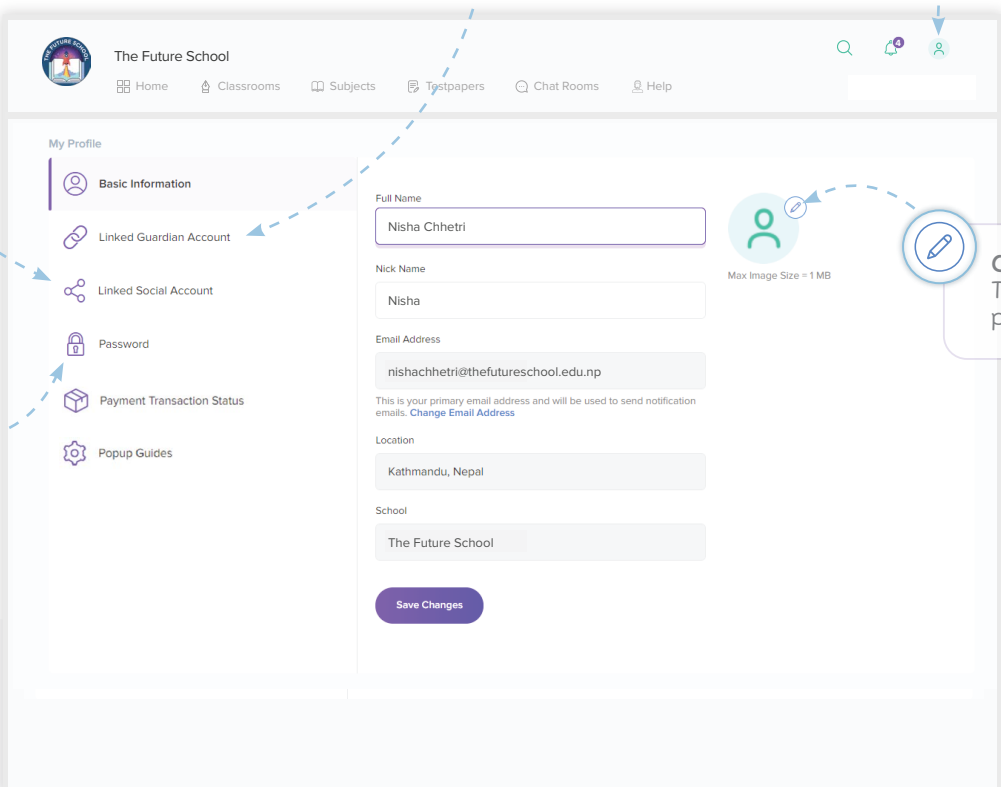

Q1. The functions  $f$  and  $g$  are defined for real values of  $x$  by  $f(x) = \sqrt{4x-3}$  for  $x > 1$ ,  $g(x) = \frac{x-1}{2x}$  for  $x > 2$ .

Q2. Sketch the graph of  $y = |2x - 3|$  on the axes below, showing the coordinates of the points where the graph meets the axes.

Q3. Solve the equation  $|2x - 3| = x$ .
