Password:

With the latest update, all users will be reminded to update their password at regular intervals (every 3 to 6 months). This will help make your account secure.
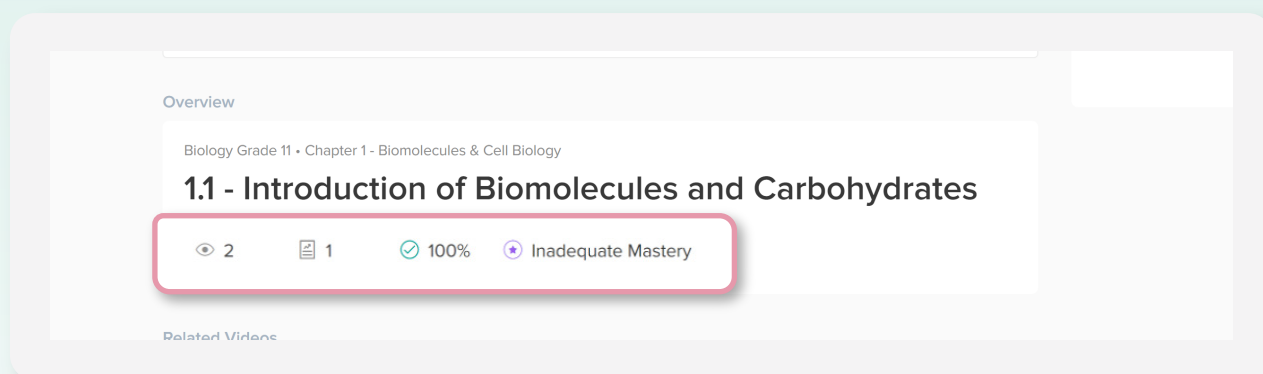

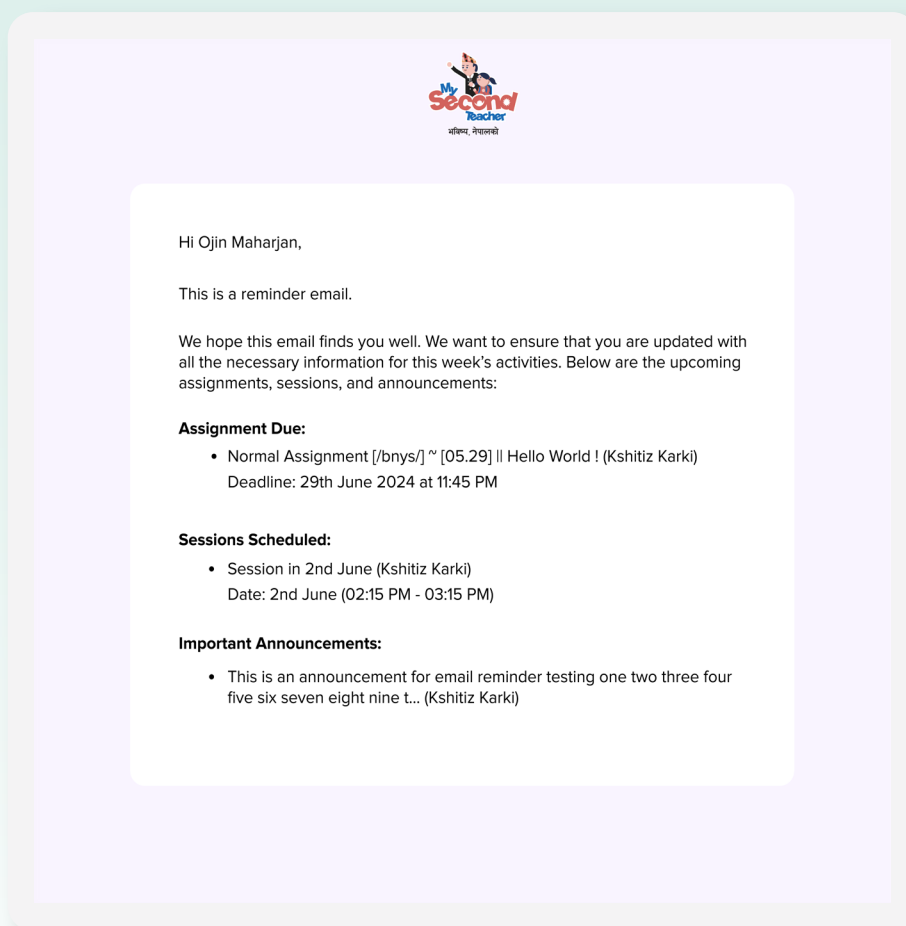

View count and Report count:

Following the most recent update, all IVY videos will have a separate view and report count. The IVY video view count is based on the number of videos watched. To increase the view count, the user must watch the video for more than 5 seconds. And the report count is based on the number of reports generated.
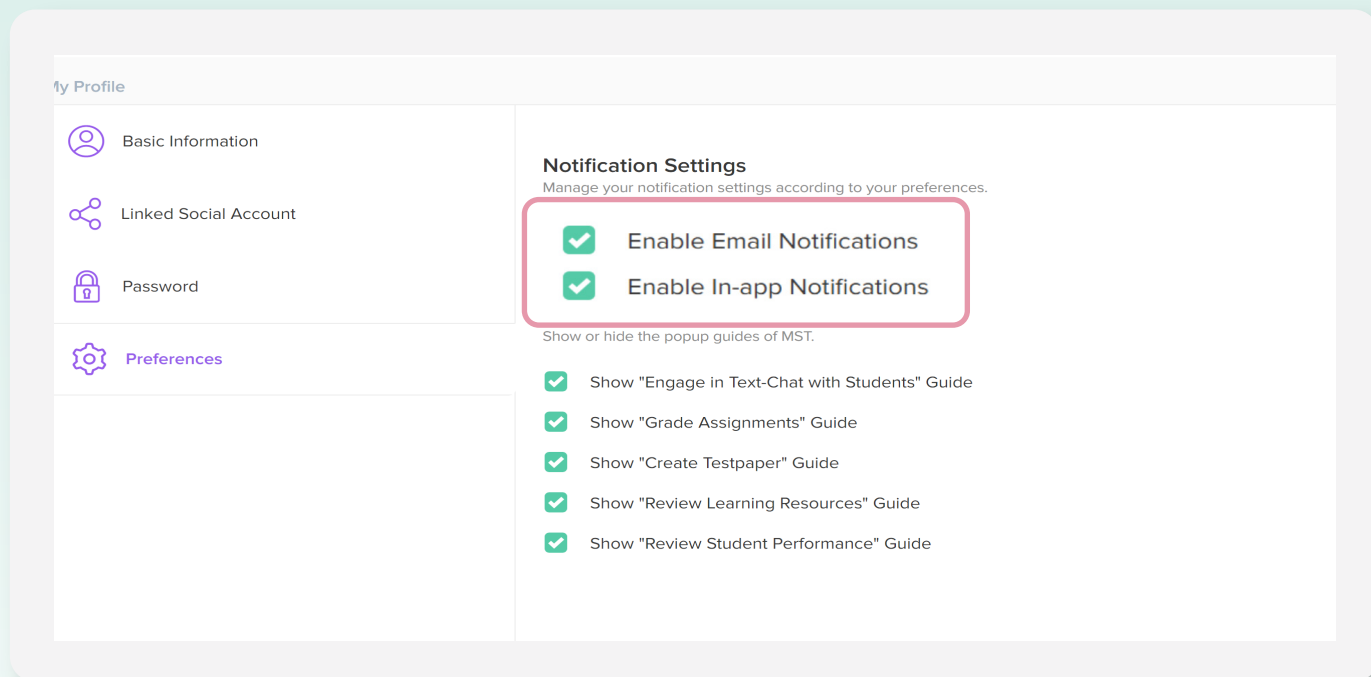

.
