Feature Release

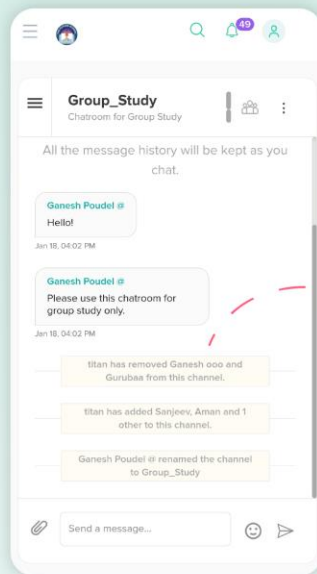

Major Changes in Chatroom

Immerse yourself in an enhanced chatroom experience with our latest updates! Here's what's new in the chatroom feature:

- New message **notifications** and **unread** message counts are displayed chatroom-wise, allowing you to stay informed and not miss any conversations.

- **Activity notifications** within the chatroom enable you to view who joined, left, was removed, and any renaming of the chatroom.

titan has removed Ganesh ooo and Gurubaa from this channel.

titan has added Sanjeev, Aman and 1 other to this channel.

Ganesh Poudel @ renamed the channel to Group_Study

- Introducing a new **direct message button**, making it easy for you to text your friends across all your common chatrooms.
