Access Other Resources

A new “**Other Resources**” tab has been added to the platform, providing Teachers with easier access to all learning materials in one place. Resources are now organised by their respective chapters to improve navigation and usability.

Within each **subject bundle**, resources are grouped into two categories:

- **Interactive Resources:** Includes eBooks and Topic-wise Videos
- **Other Resources:** Includes additional resources like Teaching Slides, Lesson Plans, and Revision Notes

Note*: The resources are currently available for Grades 8, 9, and 10 only.

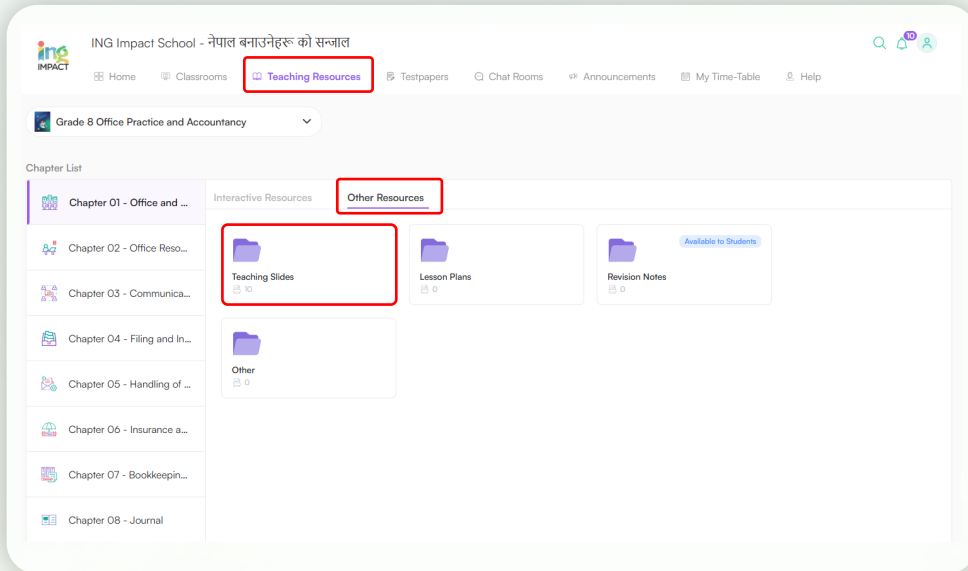

Follow the given steps to access other resources:

Go to the “**Teaching Resources**” tab and click on any subject you want

The screenshot shows the ING Impact School platform interface. At the top, the header reads "ING Impact School - नेपाल बनाउनेहरू को सन्जाल". The navigation menu includes "Home", "Classrooms", "Teaching Resources" (highlighted with a red box), "Testpapers", "Chat Rooms", "Announcements", "My Time-Table", and "Help". Below the navigation, there are filters for "Levels" (set to "Grade 8") and "Reset Filters". The main content area is divided into "My Resources", "School Resources", and "Global Resources". Under the "Subjects" section, there are five subject bundles: "Grade 8 Health, Physical, and Creative Arts", "Grade 8 Mathematics", "Grade 8 Office Practice and Accountancy" (highlighted with a red box), "Grade 8 Science & Technology", and "कक्षा ८ सामाजिक अध्यापन तथा मानव मूल्य शिक्षा".
