Feature Release

Self-Registration Removal

Self-registration for Parents has been removed from the platform. Additionally, the login page has also been updated to reflect this change.

If you are an existing user and already have an account, you can continue signing in using your previously created account. However, if your school has a provision for a Parent's account, you can request your school to reach out to our User Care Team to get your parent account.

Note: Please provide your school with your Name, Email, and your child's username to receive a parent's account.
